Principal's Message:

The very best of luck to our Year 12 students who are sitting for their Trial HSC exams over the next weeks. All Year 12 students have been recently interviewed by the senior executive and it was very reassuring to find that many students have been preparing in a systematic and appropriate way to ensure success in their examinations. Students who have implemented an effective home-study program will find that their future academic challenges will be less stressful than those who have not been as organized.

At a recent school assembly I reminded all students in the junior school that Term 3 presents them with the opportunity to commence Semester 2 with a new look at their organisation and commitment to their studies. As students will be freshly assessed and reported on their work through Terms 3 and 4, they will have the chance to further develop their skills and knowledge and enhance their results from the first part of the year. Year 11 students and their parents are reminded that Term 3 will see the completion of the Preliminary Course and the decision making process of their final pattern of study for the HSC year.

Drum roll, please: Elyse Hudson of Year 10 flew to Melbourne last school holidays to participate in the *National Final of the Rostrum Voice of Youth Competition*. Elyse represented NSW, an outstanding effort in itself, and proceeded to win the junior division at the finals. This was an amazing achievement and one that was a huge credit to her. There will be a formal presentation to Elyse at a future assembly to recognize her success. Elyse's wonderful public speaking skills will ensure that we will hear more of her successes in future competitions. On behalf of the whole school I congratulate Elyse for her accomplishment.

Our recent School Development Day provided our staff with the opportunity for professional learning with a technology focus. Our guest presenters and faculty workshops allowed all staff members to consider new ways that technology could enhance student engagement in the classroom and facilitate the learning process.

All staff reports from our recent Jindabyne excursion indicated that our Year 11 students were responsible and caring young adults whilst away. Congratulations to all participating students who represented the school in such a mature manner.

I encourage you all to put our *Posh Concert* date in your diaries so that you do not miss out on a night of quality entertainment. This concert showcases Merewether High School's musical talent and is guaranteed to delight audience members of all ages. I look forward to seeing you there on the night so that we can all boast about our wonderful students!

Yvonne Keevers

PUBLIC SPEAKING SUCCESS

Congratulations to Elyse Hudson of Year 9 who is the new national winner of the Junior Division of the Rostrum voice of youth public speaking competition.

Competitors must be under 15 years of age. They must present a six minute prepared speech and a three minute short notice speech.

Having won her way through the area, region and state levels of the competition, Elyse travelled to Melbourne during the semester break to contest the national title at Scotch College, Hawthorn.

With her win, Elyse became the first NSW winner of the Junior Division since 1996.

Marcia Buxton English

CHESS CLUB NEWS

On Sunday 5 July, six members of the Merewether Chess Club accompanied by parents, travelled to Sydney to participate in the Secondary Schools' One-day Chess Teams Tournament. The event was held at Auburn-Lidcombe RSL Youth Centre.

The members of two junior teams were Damon Coull, Ryan Palfreyman, Samuel Harnden, Skye Riley, Dominic Ball and Zachary Hamilton-Russell. Both teams acquitted themselves admirably and an enjoyable day was had by all.

CONGRATULATIONS to Stuart Madafiglio of Year 8 who will travel to San Diego California next month to contest the 2009 Pakeman TCG World Championships after coming second in the senior division (12-15yrs) at the National Championships in Hobart.

Stuart and his parents have an all expenses paid trip to the World Championship to be held at the Hilton San Diego Bayfront on August 14/15. We wish Stuart success.

Cecily Smart Deputy Principal

Supporting Merewether High Rugby Teams

The SRC term runs from the beginning of Term 3 through till the end of Term 2 each year, so we find ourselves at the beginning of a new SRC group and farewelling an old. We would like to pass on our heartfelt thanks and appreciation to our outgoing SRC members, under the leadership of chairperson Reilly Carroll, the SRC's dedication and enthusiasm have led to many successful activities and improvements in the school over the past twelve months. We have also had state and regional representation at SRC conferences which is a fine achievement for our school. You should be very proud of yourselves!

Congratulations to the new SRC members for 2009-2010 as listed below - we look forward to welcoming you on our SRC Orientation Day on Monday 17th August and working with you over the upcoming year. We would also like to offer a warm welcome and thank you to a new staff addition, Miss Bradstock and look forward to working with her also.

MERWETHER'S GOT TALENT NIGHT

Our biggest event was our biannual Merewether's Got Talent evening which raised over \$2000 for the school. Johno Behne-Smith took out the audience prize on the night for his musical performance, Thilina De Silva won the SRC prize for his Hip Hop Dancing and Jordan Turley won the judges prize for his dazzling juggling performance. All participants on the night entertained us with a variety of acts, as well as the students who auditioned during many lunch times of entertainment in the audition weeks leading up to the night. Thank you to our performers, judges, SRC members, P&C helpers, Sound & Lighting – Aaron McGowan, video recording - Mr Farquharson, audience, staff and students, especially those staff brave enough to go into the surprise staff act on the night. The night would not have been possible without the support of the following wonderful businesses who donated all the prizes on the night

SUPPORT UNIT NEWS

WORK EXPERIENCE

Heather has commenced work at the Lifeline shop at Mayfield where she sorts, prices and hangs clothes for sale.

The Friday group working at the HWNS Recycling complex is continuing on a present. Jessica has joined them and the group is very well received because of their hard work and attention to detail.

SAILABILITY

The students are becoming great sailors with more becoming solo sailors. Unfortunately the long term co-ordinator at Sailability, Bert Reay, passed away last week. His funeral was held Friday on the grassed area near the clubhouse. Several of the senior students attended representing Merewether's past and present sailors.

CAMP

Merewether HS support class is attending camp at Riverwood Downs in late September. They will be joined by five other schools for the 3 day camp. The students are looking forward to a variety of country activities. A report will be ready for next month's bulletin.

Denise Hughes Class teacher

WANTED - Men's Ties

The Support Unit students are preparing for the annual IOTAS Concert in November and are hoping you may be able to help out with costume accessories. We need *four white ties, one bright yellow and one hot pink.* If you are able to help please have the ties dropped off at the office or Support Unit.

SRC-Donormobile Visits 2009

2009 has been declared the Year of the Blood Donor. This special year will honour and acknowledge the generosity of regular blood donors. 2009 is the 80th anniversary of the blood services in Australia.

On the February visit the Australian Red Cross Blood Service were able to collect 40 donations and 52 attended while in June there were 42 donations and 46 attended. This was exceptionally good as it was such a cold day and many students were unwell.

The next Donormobile visit will be on Tuesday 1st September. Students wishing to donate must be aged 16 and over, bring photo identification with them, be in feeling well, weigh at least 50kg, eat breakfast and drink plenty of juice or water.

The Australian Red Cross Blood Service has launched a new online educational resource "Blood Buddies" aimed at students in Years 7 to 10, visit www.donateblood.com.au
