Year 7 student Milly Stephenson won the state sprint double at the NSW All Schools carnival in Homebush following our last holidays. Milly recorded personal best times in claiming both the 13-year girls' 100 and 200 metre events. She stopped the clock at 25.83 seconds to win the longer race before backing up two days later to complete her dual gold medal performance with 12.40s in the shorter final, shaving 0.2s off her semi-final result that morning. Milly will now go on to represent New South Wales at the Australian Schools Championships.

Sarah Pickering also of Year 7 won silver in both the 800m and 1500m races and will also represent New South Wales at the Australian Championships to be held in Canberra early December. Sarah's time in the 800 metres was over a second faster than the time that won the NSWCHS race this year. Milly and Sarah's performances on the track were not only outstanding, but their sportsmanship and support of fellow competitors off the track was such that all involved with the girls commented on the way they presented themselves throughout the carnival. Congratulations also to Thomas Phillips who was fifth in the 400m hurdles and third in the Pole Vault, Zax Devenny who was fifth in the 200m, and Miles Peterson sixteenth in the 400m.

Dates to Remember

- 14-18/11 Year 7-10 Exams
- 24/11 Year 11 Assembly
- 15/12 Presentation Assembly
- 16/12 Year 12 BBQ

Congratulations to Bailey Proud who recently returned home from the 2016 New Zealand Surf Lifesaving Pool Championships with four medals. Bailey's best performance was gold in the under-19 male 4x50 metre medley. Bailey also won silver in the under-19 male 4x50m obstacle relay and individually Bailey won silver in the under-19 male swim with obstacles. Bailey's fourth medal came from coming third in the open mixed mega relay.

Congratulations to our Year 10 Debating team, Rosanna Gately, Tom Su, Lucy Witherdin and Callum Donnelly who have made it to the State final against Sydney Girls' High school. The team has made it to the final two in the state out of seven hundred teams. Also congratulations to our Year 7 and 8 Debating team, Aleeyah Clifford, Ella Simmons, McKenzie Gilligan and George McNamara who are through to the final ten teams in the state. They will attend the state debating camp in December to compete for final state rankings.

Congratulations to Zachary Nichol who has been nominated for Encore 2016 as a result of his performances during his HSC Music exam.

The Higher School Certificate finished on the 4th November with some very happy Year 12s relieved that the hard work is now over and a well-earned rest can be had by all who sat their final exams. We look forward to receiving their results on the 15th December and celebrating with them on the 16th December at 11:00am at our annual Year 12 BBQ.

Years 7 – 10 are to be congratulated on the way they have conducted themselves completing their yearly examinations. Their application to these tasks was evident as they completed their written exams. Reports will be issued in Week 10 of this term at each of the Year Assemblies held on Monday 12th and Tuesday 13th December.

The last day for all students, Years 7 – 11 is Friday 16th December. If due to family circumstances you need to take early holidays please ensure you apply for extended leave from school. Forms are available from the front office. Now that yearly exams have been completed students will continue their learning program completing their final unit of work in each of their classes. This work is an important foundation for next year.

What a fabulous end to the year for our Year 12 students. It has been a pleasure to see them coming in over the past couple of weeks having studied hard for their HSC the smiles and positive outlook for what lies next has been very refreshing. We look forward to meeting with them to celebrate their results later this term.

We have been asked by Transport NSW to remind all students to carry and use their OPAL cards when on buses and trains to and from school. Whilst not only providing them access to this service, the data collected is used to assist transport NSW in determining the appropriate number of buses required to service the volume of students on a particular route. If students are not swiping on and off properly, the service may be reduced on the understanding that not enough students are using it. This is particularly important in that there are a couple of bus routes where we know the buses are very crowded but unless students continue to swipe on and off we are unlikely to get this service upgraded. Your assistance with this is appreciated.

A gentle reminder to all about the reporting of communicable illness to help us protect all students and teachers. In some circumstances, where a student has been diagnosed with an illness this may have implications for people who have vulnerabilities in their immunity and we need to be able to inform people of any circumstance that may pose a risk to them. Of course all information is treated in confidence.

Our SMS attendance system has commenced this term. I appreciate your patience as we trial the new system and iron out any difficulties. I appreciate the positive feedback from parents and trust this has been a handy way for us to keep you informed in a very timely manner.

I look forward to meeting with Year 10 Parents for our last PLG this term, which will be held in the Learning Centre on Tuesday 15th November from 9-10.30 am.

Challenge Day

Merewether High School has once again held our annual Challenge Day for incoming Year 6 students. This fantastic experience allows students who are considering attending Merewether High School to take a look at our school, meet current students, teachers, and their peers.

The day could not be the success that it is without the support of our school community. A special thanks to the SRC for providing the BBQ lunch, the Office, Canteen, Library and various Faculties for support with (sometimes last minute!) resources, and of course, our student helpers. Whether our 2017 School Captains, or our 44 Year 9 Helpers, these students demonstrated considerable maturity, empathy, and organisational skills. The following three students deserve particular mention, as they coordinated Challenge Activities on their own for the duration of the day:

Matthew Hackett
Mackenzie Matthews
Arthy Mukunthan

We hope that all students involved, whether Year 6 students or Year 9 students, gained valuable experiences from partici-

This report recognises the extraordinary achievements and outstanding talents of students in debating, public speaking and ICAS.

State Finalists - Year 10 Premiers Debating Challenge

Congratulations to our Year 10 debating squad; Rosanna Gately, Harry Su, Lucy Witherdin and Callum Donnolley who won the NSW State Semi-Final and will now compete in the NSW State Final of the Premiers Debating Challenge at NSW Department of Education, *Williams Wilkins Gallery* in Sydney. They will debate against Sydney Girls High School on Friday 11th November. This debate will be live streamed as a virtual excursion to schools throughout NSW so students and teachers from throughout NSW have the opportunity to watch the highest skilled debaters compete at State level. All of our MHS debating squads have been offered the opportunity to watch the live stream of this debate and support our Year 10 team in their endeavour to win another State title. Congratulations to this team and their coach and mentor Ms Davies. We are incredibly proud of their achievements and wish them the best of luck for the final.

Regional Final debaters: Aleeyah Clifford, Ella Simmons, McKenzie Gilligan and George McNamara.

Regional winners - Year 7/8 Premiers Debating Challenge

Congratulations must also go to the students from our Year 7/8 debating squad; George McNamara, McKenzie Gilligan, Aleeyah Clifford and Ella Simmons who won the Hunter Regional Final of their division of the Premiers Debating Challenge and will now attend the State Debating Camp in Sydney. Of 644 teams that competed in this competition, only 10 teams from throughout NSW reach this level of success and attend the camp. At this camp they will participate in a range of debates and debating workshops with some of NSW's leading debating coaches and adjudicators. They will also compete in the State Final series for this competition. Like our Year 10 team, we wish them and their coach and mentor, Ms Leanne Corney, the best of luck. We are proud of the way they have represented themselves, Merewether High and the Hunter Region.

UN Public Speaking State Finalist

Congratulations to Evina Yadav of Year 8 who represented MHS at the UN Youth NSW Voice Public Speaking Competition State Final in Sydney on Friday 4th November.

ICAS successes

Congratulations to the students below who achieved Distinctions and High Distinctions in the ICAS English, Writing and Spelling Competitions.

ICAS English

High Distinction:

Year 7 - Neve Eardley, Nathaniel Girdler, Monet Murray.

Year 8 – Genevieve Ball, Jackson Sullivan.

Year 9 – Jonti Crisp, Hamish Douglas, Leah Dove, Aditya Enjeti, Jack Matthey, Harry Tregilgas.

Year 10 – Matthew Blyth, Jye Hollier, Ned Keyte, Lachlan Russell, Kieran Simons, Callum Smith, Max Spencer-Karinen, Jackson Turton.

Year 11 – Cameron Shaw-Carmody.

Distinction:

Year 7 – Abbie Barr, Rick Bhattacharyya, Teia Bradbury, Ruby Browne, Isabella Bywater, Aidan Carthew, Patrick Charters, Daniel Clarke, Kyle Cochrane, Alison Collins, Tulip Cranson, Joshua Diebert, Laura Edwards, Charlotte Fauchon, Daniel Flood, Ari Foggo, Lily Francis, Elijah Gibson, Zachary Gower, Isabella Halpin, Sarah Hayes, Jacob Hughes, Daniel Jaeger, Cooper Janzen, Aidan Knipe, Unai Ladron de Guevara Lo, Crystal Lang-Piason, Sophie Loisel, Jessilyn Maher, Joshua McCarthy, George McNamara, Elise Milekovic, Griffin Mitchell, James Natukokona, Alex Nicholson, Lily O'Callaghan, Scarlett O'Grady, Myra Paleologos, Amelie Paris, Elizabeth Patterson, Lillian Philpott, Dominic Picton, Josh Rana, Harrison Relf, Manon Rouge, Lili Sabine, Xanthe Scullon, Tom Sharpe, Flynn Starrett, Sophia Suters, Kepei Tan, Eliot Taylor, Jeremy Thomas, Jasper Toole, Cameron Upton, Grace Waring, Thomas York.

Year 8 – Dharam Arora, Charlie Beddall, Jordan Boghos, Luca Borserio, Nikki Burgman, Jeremy Burns, Blake Campbell, Aleeyah Clifford, Martyn Cox, Zachary Cox, Saxon Crockford, Lara Fraser-Geddes, Jesse Fyfe, Josephine Gallop, Rory Graham, Ruby Hackett, Vianne Haydon, Jacob Humphrey, Layne Karger, Ruby Keyte, Richard Le, Melinda Leitch, Joshua Lynch, Rebecca Mason, Bailey McDowell, Kaitlyn McMahon, Caitlyn Mills, Anna Muddle, Mia Nash, Lewis Nickel, Klara Norris-O'Neill, Logan O'Reilly, Torquil Prior, James Punch, Isabella Rayward, Kyra Rich, Vihan Rich, Shivani Richardson, Ella Simons, Nathalie Simons, Rohan St Hill, Amy Tan, Fletcher Thomson, Taliya Tongia, Harry Troup, Callum Wainwright, Thomas Wood, Kain Wratten.

Year 9 – Angus Atkinson, Layla Bonomini, Rogue Bowman, Nevenya Cameron, Nicholas Campbell, Zoe Davis, Ella Duncan, Isabella Farrell, Marley Flint, Liam Garvey, Shannon Gillan, Isaac Gresham, Connor Hansen, Georgina Hay, Sharvil Kesarwani, Joey Lyons, Jabez Mehanathan, Louise O'Rourke, Ella Perry, Khai Pham, Alexandra Plotnikoff, Anna Popowicz, Terry Roy, Isaac Saccaro, Daniel Sloan, Eben Taylor, Hamish Teasdale, Louis Travers.

Year 10 – Tobias Atallah, Jessica Avard, Cosette Borserio, Kirrily Boyd, Jade Conner, Dylan Connors, Georgia Cook, Lauren Cosgrove, Callum Donnelly, Kate Edwards, James Farragher, Emma Frith, Rosanna Gately, Noah Grady, Estelle Grillmeier, Bailey Handford, Adrienne Hanslow, Erin Hartley, Sally Hobden, Serena Jacks, Stassi Kyri, Callum Macfarlane, Wilson McTaggart, Connor Montgomery, Luke Nepia, Jack Novak, Ethan O'Byrne, Ben Oakley, Malaka Perera, Yuri Porter, Angela Roberts, Elena Rossi, Cosmo Scepanovic, Jasmine Sheng, Annika St-Jean, Alexander Stamenkovski, Harry Su, Max Suci-Gleeson, Miriam Temperley, Mitchell Thomson, Michael Trout, Juliette Tyrie, Samantha Welsh, Jazmyn Welsh, Alex Yan.

Year 11 – Anna Carpenter, Tarin Cromarty-Screen, Corey Henshaw, Thomas Phillips, Priya Vakil.

ICAS Writing

High Distinction:

Year 7 – Connor Beveridge, Monet Murray, Oscar Richards Flanagan.

Year 8 – John Kim, Ella Simons.

Year 9 – Zoe Davis, Eben Taylor.

Distinction:

Year 7 – Athila Athauda, Caitlin Barnett, Abbie Barr, Smriti Bobby, Daniel Clarke, Alison Collins, Claudia Crofts, Ryan Dunkin, Neve Eardley, Mirelle Edwards, Charlotte Fauchon, Zoe Fennell, Ethan Floyd, Lily Francis, Ciara Galvin, Zenden Grieves, Oliver Kelson, Aidan Knipe, Asha Krevs, Crystal Lang-Piason, Sophie Loisel, Jessilyn Maher, Isabella Mahomed, Jenna Marley, George McNamara, Elise Milekovic, Annabelle Miller, Naomi Mills, Coel Mulready, James Natukokona, Lily O'Callaghan, Eve Oxenham, Myra Paleologos, Amelie Paris, Alexander Paterson, Charlotte Paterson, Lillian Philpott, Manon Rouge, Lili Sabine, Tully Sharman, Sei Shin, Isobel Smede, Kepei Tan, Ganan Thiyakesan, Andrew Tilley, Daniel Wall, Alyssa Wharton, Thomas York.

Year 8 – Nikki Burgman, Martyn Cox, Zachary Cox, Isabelle Dobbie, Lara Fraser-Geddes, Zeraphina Freeman, Josephine Gallop, Mackenzie Gilligan, Jeremy Groh, Ruby Hackett, Flynn Karn, Ruby Keyte, Lachlan Kiem, Freya Lubinski, Rebecca Mason, Liam Prince, Nathalie Simons, Amy Tan, Audrey Tran, Hannah Tumbers, Lara Van Dorssen, Thomas Wood.

Year 9 – Leah Dove, William Driver, Anna Moscato, Arthy Mukunthan, Callum Quinn, Harry Tregilgas.

Year 10 – Kate Edwards. **Year 11** – Kate Miskin, Thomas Phillips.

ICAS Spelling Results

High Distinction: Laura Edwards, Monet Murray

Distinction: Benyamin Bach, Patrick Charters, Mirielle Edwards, Samantha Keogh, Alex Nicholson, Josh Rana, Mia-rose Sciarra-D'Andrea, Thomas York, Ethan Floyd, Nathaniel Girdler, Zenden Grieves, Isabella Mahommed, Griffin Mitchell, Amelie Paris, Andrew Tilley, James Natukokona, Liam Ham, Vashisht Jain, Unai Ladron, Umasudhan Sridharan, Isabella Bywater, Ari Foggo, Elijah Gibson, Jacob Hughes, Daniel Wall

HSC English

Students in Year 11, both Advanced and Standard English, have been exploring the Area of Study, Discovery. These Year 11 students should be preparing for their major assessment task which takes place Monday, Tuesday and Wednesday of week 8 this term. HSC English text requirements have been emailed to all students and posted on the Moodle. Students must ensure that they have the correct texts ready to start their next module week 8 of this term.

Social Science

Term 3 has been a very busy time for the Social Science faculty with students being offered a range of extra – curricular activities that enhance the learning experience of students at Merewether High School. Students undertaking Social Science subjects in the HSC in 2016 achieved considerable success. Business Studies, Legal Studies, Geography and Economics students have all worked hard completing their course work and have finally sat their last HSC exam. The constant flow of students through the staffroom is a testament to the dedication of staff in supporting these students providing extra feedback, marking practice papers or acting as mentors guiding the students through the challenges of finishing school and embracing their futures. I would like to acknowledge and thank staff who have supported all of these activities and whose dedication forms the basis of the strong co-operative relationship that has developed between staff and students in the faculty. As our expert team ready themselves for their next role as HSC markers we wish the students every success in their future endeavours.

Business Studies

In Business Studies students have commenced working on the first of the Key Business Functions, Operations for the HSC course. For the next term students will adopt the role of 'operations managers' as we consider the effective strategies, processes and influences on this key business function through contemporary business case studies. Students have selected an individual case study that they will investigate over the course of the year to deepen their understanding of business concepts. Currently students are determining the best strategy to achieve a competitive advantage in the relevant market of their chosen business.

Legal Studies

Legal studies students have enthusiastically launched into their investigation of the criminal justice system. The HSC course provides students with an opportunity to apply their understanding of key legal concepts and consider the effectiveness of the legal system in achieving justice for individuals and society. Term 4 will focus on exploring the role of the police investigating crime and the trial process. Students will need to be active in reviewing the media to ensure they are up to date with current legislation and new cases that test the laws. Our Legal Eagle Fridays see each student presenting a case or media article for discussion. These sessions provide an opportunity for students to demonstrate their understanding of the syllabus and run a discussion linked to the themes related to the course.

Geography

Students have commenced their HSC studies looking at Ecosystems at Risk – a very contemporary global issue. The topic examines the functioning of ecosystems, the stresses placed on them through natural occurrences and more significantly through human activities, and the ability of the ecosystems to recover from those stresses. At least two ecosystems must be studied in detail and as with all of the HSC topics, fieldwork will be undertaken to assist student’s understanding of the topic.

Skills continue to be an important component of the HSC syllabus, and students will be building on the skills acquired in the junior school and in the Preliminary course, as well as being introduced to new skills throughout the year. Future topics include Urban Places including a fieldtrip to Melbourne in February next year and People and Economic Activity.

Economics update

HSC students have now begun studying the Global Economy, investigating issues such as the impact of global economic integration on economic growth and quality of life, the environment and distribution of wealth. Our major case study for this topic is an evaluation of the strategies used by the Chinese Government to promote economic growth. Moononics is up and running with students presenting a current economic issue each Friday for class discussion.

Currently students are focusing on world trade institutions and will be closely examining the impact of the US Federal election on the global economy.

VOCAL AND STRING ENSEMBLE TOWN HALL PERFORMANCE

At the beginning of the year, the String and Vocal Ensemble submitted an audition entry of “*When I Grow Up*” from the famous musical by Tim Minchin, “*Matilda*”. From this audition process, we were selected to perform in the Coorong Concert at the Sydney Town Hall. For this performance the group was joined by two Year 9 students, Kit Murphy on Bass Guitar and Kofi Harara on drums.

These State Music Festival Concert Series are to a performance opportunity to highlight the fantastic work that is being achieved in Public Schools throughout the state. Groups that audition to be part of these concert series perform at a very high standard and the number of performance places is limited, so it is a great privilege that we were selected to perform to represent our school in front of a sell-out crowd.

The performance took place on Monday 19th September and was a memorable event. On the day of the performance we rehearsed at school before travelling to Sydney for the afternoon sound check in preparation for the night performance. The students then had some time to relax and have some dinner in Sydney’s CBD before the concert. The Concert was a great success and the students performed to the best of their ability in such a special venue.

BANDFEST 2016

This year's Bandfest was held at Lake Macquarie Performing Arts Centre and featured more than 2000 school students that performed in 68 bands over five days. The MHS Percussion Ensemble performed on Wednesday 19th October and were awarded a commendation for their performance. The group played two contrasting pieces which impressed not only the adjudicator but also the crowd.

On Friday 21st October the Concert Band, Flute Ensemble and Clarinet Ensemble competed. Again, all the groups performed to a very high standard and were commended for their musical ability and attention to detail. The Clarinet Ensemble were awarded first place and were also given the prestigious Muso's Corner Excellence Award for their outstanding performance. The Flute Ensemble came second in this section and the Concert Band were awarded a highly commended.

MHS CAREERS Newsletter November 2016

Below you will find information on a wide range of careers related topics. Please note that all dates should be checked on the relevant websites and all event/course related information is relayed from external sources and is not endorsed by Merewether High School. For more information about any of the topics below students from Years 9-12 should either follow the links provided or visit the careers office and speak to

Mrs Abbo. Levina.abbo@det.nsw.edu.au

This information and much more is emailed to students on a regular basis. Students are encouraged to check their email weekly and consult the newsletters for the latest events and opportunities available to them. All students have access to work experience documents and procedures via email with the latest versions being sent to their inbox at the start of each term. Students are advised to read the work experience procedures prior to commencing organisation for a placement.

UPCOMING EVENTS TO REGISTER FOR

UNSW Business School November Workshops

UNSW Business School is running three free workshops throughout November:

UNSW Accounting Workshop 9th Nov

Deloitte and Westpack Technology Career Workshop 11th Nov

FINITY Actuarial Workshop 17th Nov

University of Newcastle Business and Law info Evenings

BUSINESS & COMMERCE INSIGHT EVENING

9 November 2016

5:30pm - 7:00pm || Watt Space Gallery, Auckland Street, Newcastle

Are you considering a career in Business or Commerce?

The Faculty of Business and Law invites senior secondary students and their families to an information evening to learn about the Newcastle Business School.

This is an exclusive opportunity to interact with key staff from the Newcastle Business School and speak with undergraduate students from both the business and commerce programs.

When: Wednesday 9 November 2016

Venue: Watt Space Gallery, Auckland Street, Newcastle

Time: 5:30pm - 7:00pm

RSVP: by Friday 4 November via <http://buscomevening.eventbrite.com.au>

Light refreshments will be provided.

LAW INSIGHT EVENING

17 November 2016

5:30pm - 7:00pm || Civic Digest, 375 Hunter Street, Newcastle

Are you considering a career in Law?

The Faculty of Business and Law at the University of Newcastle invites senior secondary students and their families to an information evening to learn about the Newcastle Law School.

This is an exclusive opportunity to interact with key staff from the Newcastle Law School, speak with undergraduate law students and tour the University of Newcastle Legal Centre.

When: Thursday 17 November 2016

Venue: Civic Digest, 375 Hunter Street, Newcastle

Time: 5:30pm - 7:00pm

RSVP: by Monday 14 November 2016 via <http://lawinsightevening.eventbrite.com.au>

Light refreshments will be provided.

- 2017 UNSW Mining Engineering Summer School When: 18 January 2017 to 20 January 2017
Who should apply? Year 10 and 11 students who have an interest in Engineering or Science and who plan to study subjects such as physics, maths (advanced), engineering and earth & environmental studies.
Venue: UNSW Kensington & NSW mine sites [Apply Now](#)
What is the UNSW Mining Summer School? The UNSW Mining Summer School (UMSS) is a unique opportunity to get inside the minerals industry as part of a 3 day residential camp organised by the School of Mining Engineering.
What will you do?
You'll get the chance to learn about study, careers, lifestyles and opportunities in the Australian minerals industry, hearing first hand from professionals, recent graduates and current students. UMSS will kick off at the UNSW campus in Sydney, where you can experience university life, including lectures, labs and the School's 3D Virtual Reality Simulator and headsets. You will then travel to the Central West area of NSW to visit underground and surface mines, learn about how minerals are extracted and processed, view mine rehabilitation sites, dine with industry representatives and alumni and have fun with an awesome bunch of new friends.
When can I apply? Applications open 30 August and close 30 October, 2016. For more information about UMSS please [email us](#).
- UN YOUTH Tours [Pacific Project 2017](#) is an exciting opportunity for 12 young leaders from around Australia to embark on a two-week tour of East Timor exploring the complex realities of development in one of our closest neighbours. [Apply NOW!](#)
- **IVY LEAGUE COLLEGE VISIT TOUR - 10th and 11th graders are reaching the point in their lives, where they are reading brochures on dozens of colleges and universities they may wish to attend. They are sometimes overwhelmed in the whole choosing process. We have made the lives of these students as well as their counsellors so much easier with college familiarization tours. You and your students can actually see the college; talk with staff members and students enrolled there. The students come back from the trip (in most cases) then knowing the institution they want to attend. The colleges listed below are a sampling of a college familiarization trip. Boston, Ma – Harvard University, Providence, RI – Brown University, New Haven, Ct – Yale University, New York City – Columbia University, Time to tour New York City and see a Broadway Show, New Jersey – Princeton University, Philadelphia, Pa – Penn (University of PA) Optional visits to Villanova or Temple University Time to tour Historic Philadelphia For more information on this trip and what is included go to our website: www.educationaltravelconsultants.com**

ONLINE LEARNING

- UNSW Architecture Course Online: Sign up here: <https://www.be.unsw.edu.au/re-enchanted-city-designing-human-habitat>
- MOOCs Massive Open Online Courses (MOOCs) offer students from all walks of life the free opportunity to educate themselves via pre-recorded lectures, problem sets and interactive user discussion forums. James Cook University and the University of Tasmania will be providing students who complete a MOOC credit towards a university degree. For free courses <http://www.open2study.com/>
- EDX is an online learning environment that offers loads of free courses in a multitude of fields for FREE! It does cost \$50 to receive your completion certificate. They are generally short courses and anyone can enrol. <https://>

News NCSS Challenge Contact

NCSS **Summer School**

Applications Program Photos

What is NCSS?

The National Computer Science School (NCSS) is a ten day summer school for students going into years 11 and 12. NCSS brings together talented young people from around Australia for an intensive course of computer programming and website development in the School of IT at the University of Sydney.

NCSS 2016 will run from Tuesday 3rd to Thursday 12th January, 2017 (inclusive).

NCSS has been offered in various formats since 1996, when it was initiated by the University's Foundation for Information Technology. In 2015 we celebrated 20 years of the program.

NCSS is organised by academic staff, alumni and students of the School of Information Technologies. The school is completely residential, with all students staying with NCSS staff in full-board accommodation provided by The Women's College, within the main Camperdown campus of The University of Sydney.

The cost of NCSS is heavily subsidised by our sponsors, allowing us to make the cost per student approximately \$440 in 2017.

OPEN DAYS

Open days are a great way to learn more about courses and what a university campus has to offer. You can attend any campus open day with your parents and friends – you may need to register online though so check websites for more information.

NEW VOLUNTEERING OPPORTUNITIES

- Park Run – You can volunteer at Park Runs – Timekeepers, Course setup, Photographer etc. The contacts for each parkrun can be found online at the parkrun websites. Note: You don't have to be a runner to participate in this.
- International Volunteer HQ Volunteer programs in 30+ countries doing teaching, childcare, community development and wildlife conservation. <http://www.volunteerhq.org/>
- The Green Army Employment program to develop skills in the environment conservation. View current projects at: <http://www.environment.gov.au/land/green-army>

- St Johns Ambulance Cadets This is an excellent opportunity for those interested in health careers. Please click here (<http://cadets.stjohn.org.au>) for information on the St John Cadet & Junior program information and below for local Division contacts:
Adamstown Cadets Milan Stenek 0431 088 467
meets Thursdays from 6:30 PM at St John Branch 1b Court St Adamstown
Lake Macquarie Cadets Damian Wardrope 0408 475 604
meets Mondays from 6:30 PM at St John hall, James St Warners Bay
Maitland Cadets John Comyns 0418 566 889
meets Mondays from 6:30 PM at Cinema Complex, Ken Tubman Dr Maitland
Mt Sugarloaf Cadets Scott Roach 0437 417 585
meets Wednesdays from 7:00 PM at Edgeworth Neighbourhood Centre Cnr Main & Minmi Rds Edgeworth
- Wallsend Cadets Adrian Medioli 0412 405 958
meets Mondays from 7:00 PM at Community Healthcare Centre Nash St Wallsend
- Basket Brigade Newcastle Branch The Newcastle Basket Brigade is part of a national not-for-profit organisation called Magic Moments Foundation of Australia. It was in existence in previous years. It went quiet for a few and in 2014, a small group of eager volunteers decided to rekindle the group just 4 weeks before Christmas. In the space of 3 weeks, they formed a Committee of 13 people and 35 volunteers, assisting in surpassing their goal of 100 baskets. <http://www.magicmoments.org.au/nsw-newcastle-basket-brigade/>
- School Canteen If you have time to spare and you would like to volunteer in the school canteen on a regular basis please see Mrs Abbo to register and receive a clearance.
- Looking for a career in the Health Industry? Here is a good place to build some skills and volunteer at the same time. We recently attended a workshop with Project ABLE and it was fantastic!

<http://projectable.com.au/volunteer-work/>

- Lattitude Global Volunteering (17-25 year olds) <http://www.lattitude.org.au/>
- Blackbutt RESERVE You can register to volunteer at Blackbutt reserve working with the animals or plants. This is done by contacting the council and completing an application form. This experience would be valuable for those considering animal handling careers such as veterinary or the environmental science/biology related careers.

Other volunteering that counts! School based projects, SRC, BBQ's, coaching sporting teams and sport club helping out.

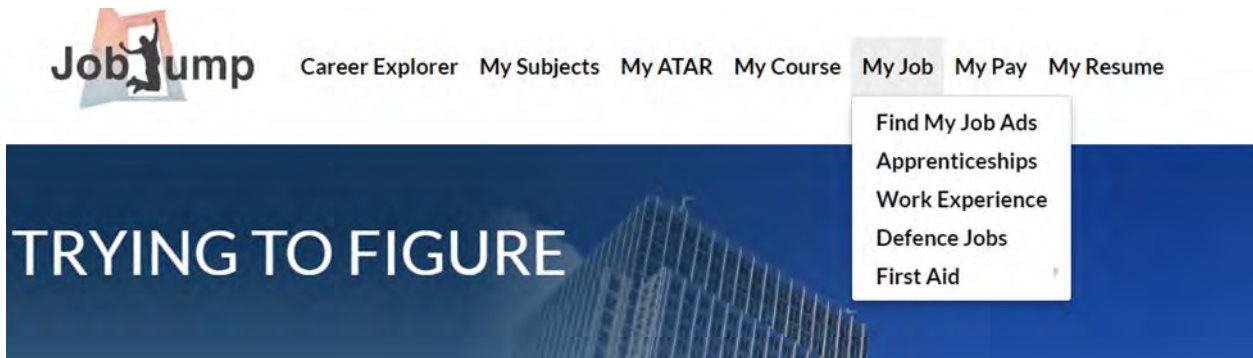

EMPLOYMENT

- WE ARE HIRING* Ground Technologies are seeking young candidates for Junior Lab & Field Technicians We are currently seeking a self-motivated enthusiastic junior who has completed Year 10 or 12 to work in our soils laboratory and onsite field testing. Full training will be provided. Must be reliable, have own transport, be hands on, good attitude and presentation, with good mathematics as an advantage. If you would like further information about this position, please contact us 87838200.

- **Jobjump Website** also has a link for employment – To login you must create a login of your own and to do this you will need to use the school password “DUCKS” as we have a paid subscription. Once you are into the site you can look

WORK EXPERIENCE

To undertake work experience make sure that you locate the email that contains all of the necessary documents and procedures – it was sent in May from Mrs Abbo

- Land Surveying opportunities Students can still apply for a work experience placement with a Surveying firm for 2016. To apply, students go to <http://www.alifewithoutlimits.com.au/student-work-experience/secondary-students/> and register their interest. We will then seek a placement for the student in their area. Availability depends on the capacity of local surveying firms. This is a free service.
- Whitehouse Institute of Design, Australia offers on-campus work experience for design/education orientated Year 10- students. The week at Whitehouse provides the opportunity to watch and learn about photo shoots , illustration and design classes and workshops as well as experience some of the core administration tasks in a design college such as graphic design for advertising, social media management and reception duties. Go4IT work experience program for girls interested in IT

Science, technology, engineering, and mathematics (STEM) are at the forefront of innovation across the globe. However, in Australia, growth in the IT industry faces two significant challenges; a skills shortage and an under representation of women in the industry.

TCS is passionate about addressing these challenges. TCS has a series of Corporate Social Responsibility initiatives that seek to support and encourage girls to study STEM subjects - which in turn we hope will inspire girls into a career in IT.

The TCS Go4IT work experience program aims to:

- > inspire girls to consider a career and future studies in IT
- > provide insight into the varied roles within an IT company and the business world
- > empower girls to design and develop IT projects
- > complement the school curriculum

http://www.tcs.com/about/corp_responsibility/corporate-social-responsibility/Pages/TCS-Go4IT-work-experience-program-girls-IT.aspx

- Whitehouse Institute of Design, Australia offers on-campus work experience for design/education orientated Year 10- students. SPORT SPORT SPORT SPORT SPORT

The Open Boys Cricket team continued on their merry way in the State wide Davidson Shield Competition with a hard fought, yet comprehensive victory over a very talented Warners Bay team. Bowling first Merewether were able to restrict Warners Bay to a total of 115, at one stage late in the innings it looked like the total would get away from our boys but they fought hard at the end to eventually pick up the last wicket for what was definitely a gettable total. The wickets were shared around with Nick Jones getting 3, and Paul Rodgers and Adam Steel 2 each. The innings started poorly with a wicket on the first ball however after that the batsmen steadied the ship and we eventually passed the Warners Bay total 4 wickets down with 15 overs to spare. Wilson McTaggart topscored with 43, Kye Harrison scored 31 and Sam O Sullivan scored 20 in what was a good team effort. The team now plays the Regional Semi Final against Maitland Grossman in the coming weeks.

Open Boys Cricket

ATHLETICS SUCCESS

Congratulations to the Merewether Students who excelled at the recent NSW All-Schools Athletics Championships held at Homebush. The stand-out performance was easily Milly Stephenson who was successful in winning Gold Medals in both the 100m and 200m sprint events. This is truly an outstanding performance and we wish her the best of luck for her next challenge, the National Titles to be held in Canberra in December. We would also like to congratulate Sarah Pickering for placing in both the 800 and 1500m events, Tom Phillips for placing in the Pole Vault and for Tom and Zax Devenny for being finalists in the 400m hurdles and 200m sprint events respectively. Sarah will also attempt to better her All Schools placing at the National event. Well done and best of luck to these four students.

FUTSAL INDOOR SOCCER REPRESENTATIVES

Well done and best of luck to three young men who, through a string of strong performances at lead up tournaments have gained selection in the Australian Futsal team that will represent at the 2017 World Championships in Brazil. The three students, Angus McTaggart, Jared Muller and Josh Lynch have performed with great skill and are worthy selections in what will be an obvious highlight of their football careers.

SPORT SPORT SPORT SPORT SPORT

Netballer Angela Williams will be awarded a NSWCHS Sporting Blue for Netball at a function in Sydney in December. This honour is the highest an individual sports person can receive in their sport at School Sport level. Angela is the first netballer from Merewether High to receive this honour, congratulations and well done from the whole Merewether HS Community.

Year 7 Lifesaving

A recent story told to me by a parent highlights the importance of these types of programs. The gentleman was at a Computer Programmers International Conference in the Maldives and was attending the keynote at a luxury Hotel. During the after function a programmer from China fell into the Hotel Pool and, as he said, to his great surprise the skills he had learnt at a program he attended at school came flooding back and he was able to enter the pool and secure the casualty until further help arrived. He was amazed that he had remembered how to do it and equally amazed at how no-one else in attendance was able to help. The story is a great testament to how these skills can come into play no matter what and where you are.

The annual Year 7 Lifesaving Program will be conducted on Mon Nov 28, Thur Dec 1 and Fri Dec 2 this term. This program is one of the most important students can do at school, giving them the skills to save their life, or perhaps the life of someone else far outweighs many of the other things they do during their school lives. This is especially relevant to students today as much of their leisure time is spent in and around aquatic environments. Students will shortly bring an information note home for parents to sign, on those notes your child's swimming ability need to be indicated. Any questions on the program please do not hesitate in contacting Bob Harrison at MHS.

SPORT SPORT SPORT SPORT SPORT

2016 SPORTS PRESENTATION

The 2016 Sports Presentation was held in September and at this function the high achievers from Merewether High were duly recognised. Over 120 students were recognised on this day. Special congratulations to the main award winners, Bailey Proud was awarded the Jack Scott Trophy as the Junior Sportsman of the year while Angel Barber and Nic Sonntag were awarded the Senior Awards. Five students received Sporting Blues, Angela Williams for Netball, Rachael Ward for Hockey, Davis Harara for Rugby, Casey Smith for Aerobics and Nic Sonntag for Swimming. A number of teams were recognised who qualified for State Level competition in their chosen sports as well as well over 100 Hunter Region representatives. Parents should note that all of the criteria for awards are highlighted as part of the MHS Sports Policy that will soon be available through the School Website. This Policy has been reviewed, as is normal practice and its contents will come into action at the start of the 2017 school year.

Sailing

Friday the 21st October was a clear sunny day with a cool breeze when the class travelled into Newcastle Yacht Club at Wickham to board "Kayle".

"Kayle" is a sailing boat owned and crewed by the organisation SWD (Sailors with Disabilities). Kayle is often entered into the Sydney to Hobart Yacht race. So everyone watch on Boxing Day to see it start the race.

The students wore PFD's and helped the crew as we left the jetty. Students helped raise the sail. When we were sailing the students sat at the bow under the boom. When the boat changed direction everyone would be a "pancake" and lay flat on their backs so the boom would not hit them.

Students had a turn steering "Kayle" and some even tried to do doughnuts. There was a seal swimming in the harbour near Stockton Breakwall.

It was a great afternoon sailing and a big "Thank You" to the volunteers from SWD.

Fun and Fitness, Athletics is for EVERYONE regardless of your ability.

Adamstown New Lambton Athletics Club holds weekly Friday night twilight competition from 5:15pm at Alder Park, Bridges Road, New Lambton, from September through to March.

Girls and boys from 3 years of age, of any ability, are encouraged to register with us. Our emphasis for athletes is very much on personal improvement and participation, and for the parents – active involvement and encouragement.

Registration fees start from \$120, and will cover up to 21 nights of competition with us. If you are not sure about athletics or are new to the sport we can offer a FREE two week trial so why not come and give athletics a try. For more details and information, visit our website www.anlac.org.au

Family, Fun and Fitness

Adamstown New Lambton Athletics Club

Important Opal information from 1 August 2016

From 1 August, magnetic strip tickets (MSTs) will no longer be sold or accepted for travel within the Opal network. For easy access to public transport and lower fares, customers need to plan ahead and acquire the appropriate Opal card before 1 August 2016.

What other ticketing options will be available for customers from 1 August 2016?

Opal is the easiest and cheapest way to get around on public transport, but as a last resort, customers can buy an Adult or Child/Youth Opal single bus ticket on board bus services (excluding prepay services). These are single-use tickets only, valid for travel from the point of purchase.

Who is eligible to buy Child/Youth Opal Single Bus Ticket?

The eligibility criteria are the same as a Child/Youth Opal card:

- Children aged 4 – 15 years (inclusive)
- Full time NSW/ACT school students aged 16 years and older with a NSW Senior Secondary Student Concession card, issued by their school, as proof of entitlement.

NSW/ACT Senior Secondary Student Concession Card

School Student Photo ID's will no longer be accepted as from 1st August 2016.

Students 16 years and over must carry and show Senior Student Concession Card as shown.

See your School Administration for details.

Holders of this concession card are entitled to half-price fares and can apply for a Child/Youth Opal card.

Eligibility

You must be a school student aged 16 or over who is:

enrolled in a NSW or ACT secondary school or non-government secondary school, or registered with the Board of Studies as a full-time home-schooled or distance education (OTEN) secondary student.

International school students who meet the criteria also get the same entitlements.

What should I do if My School Opal Card is Lost or Stolen?

Report it [online](#) and order a replacement School Opal card and a fee may apply. By doing this, the old School Opal card will be cancelled and a new one will be mailed to the customer's preferred address within 5-7 days. While waiting for a replacement card, you should use a Child/Youth Opal card to travel if eligible.

Monday, 8 August 2016

Dear Principal,

RE: The use of Opal Cards on buses

I am writing to you as a school bus provider to and from your school with some concerns regarding the current use of Student Opal Cards.

One of the more significant changes created by the recent introduction of the Student Opal Card is the requirement for students to 'tap on' and 'tap off' when travelling to and from school on any school bus boarded in the course of their journey.

Opal data gathered by tap on and off is used to determine demand for bus services. If students don't tap on and off, lack of perceived patronage could lead to a review of the level of services provided to your school.

With this in mind, we seek your assistance in reminding your students that tapping on and off correctly is one of the conditions of using the Student Opal Card.

Some of possible methods of encouraging proper use of the Student Opal could include:

- Supervising teachers at boarding points could encourage students to have their Opal card ready prior to their bus arriving, eliminating delays in loading and allowing on time departure.
- Circulating relative information regarding the use of the Student Opal Card via School Newsletter may also highlight to parents, the importance of the proper use.
- A mention of this issue at School Assembly.

Any or all of the above will help provide a more efficient and streamlined service reflective of your school's needs.

Thank you in advance for your assistance and please contact us if you have any questions about any issues contained in this letter.

Regards,
Andrew Fogg

Regional Operations Manager

Hunter Valley Buses

Information for Students regarding School Travel

If provided with a School Opal card or school travel pass the student must comply with the [Student Codes of Conduct](#).

The School Opal card or school travel pass can only be used for approved travel on school days between the student's home and school or college between 6.30am and 7pm (6.30am and 9.30pm for TAFE students)

The Scheme does not cover travel to and from:

- before and after school care or child-minding premises
 - before and after school activities
 - school excursions
 - sports events
 - work experience
 - Vocational Education and Training (VET) at a location away from where the student is enrolled
- multi-campus high schools, weekend schools, pre-schools or mini-schools (except for full-time geographically isolated distance education students).

Red BUS SERVICES
Red BUS Coach Service

Attention School Students and Parents

As from Monday 21st November 2016

Some School Routes and Times will change

*****All School Bus Numbers will change to a unique number commencing with the letter "S" followed by 3 numbers**.***

AM – School Buses will be S700 – S799 or S900 – S999

PM – School Buses will be S600 – S699 or S800 – S899

It is advisable to check your New School Bus Numbers and Routes
from MONDAY 7th NOVEMBER 2016

www.redbus.com.au

Or

Red Bus Office 4332 8655

Important Information Regarding Opal Cards

1. For students entering year 11 at a New School

At the End of this year you will need to go online at www.transportnsw.info/school-students

And update your information to "New School". Print the 2 page document, sign and return to the Administration Office of your New School.

2. For students entering year 11 at a Current School

At the End of this year you will need to go online at www.transportnsw.info/school-students

And update your information to "Year 11". Print the 2 page document, sign and return to the Administration Office of your School.

3. For students entering year 7 at a New School

At the End of this year you will need to go online at www.transportnsw.info/school-students

And update your information to "New School". Print the 2 page document, sign and return to the Administration Office of your New School.

4. For students who have lost, Faulty or had their Opal Card Stolen

To replace Lost or Stolen Opal Cards go online at www.transportnsw.info/school-students

And apply for a replacement Opal Card.

NB: Students are required to pay a fare whilst waiting for delivery of new Opal Card.

5. For students not eligible for free school travel

Log online at www.transportnsw.info/school-students and purchase a School Term Bus Pass.

6. Student Travel Eligibility

To be eligible for subsidised travel under the SSTS, school students must be:

an infant student; i.e. attending Kindergarten, Year 1 or Year 2 classes, irrespective of the distance from home to school; or

a primary student (Year 3-6), and reside more than 1.6 kilometres (straight line distance) from the school attended, measured from the centre of the school site, or 2.3 kilometres or more by the most direct practicable walking route to the nearest point of physical entry to the school; or

a secondary student (Year 7-12), and reside more than 2.0 kilometres (straight line distance) from the school attended, measured from the centre of the school site, or 2.9 kilometres or more by the most direct practicable walking route to the nearest point of physical entry to the school;

Parents/guardians of students deemed ineligible by their school or local transport operator on straight line distance grounds may apply to TfNSW for a review of the determination on walking distance or pedestrian safety grounds.

Should TfNSW, after carrying out the review, not approve subsidised travel and the applicant(s) considers that there are special circumstances, such as pedestrian safety and/or hardship issues associated with their case; they may appeal the TfNSW decision.

Appeals are heard by an independent SSTS Appeals Panel which considers each case on its individual merits.

THE UNIFORM SHOP

New Uniforms for 2017

It is recommended that if you require new uniforms for 2017, that you come in for a Uniform Fitting before the end of Term 4.

We recommend this, so that the wait times over the January period are reduced, making the shopping experience more pleasant. We welcome lay-bys but you are able to take the uniforms after your fitting if you choose.

Please log onto our website or phone the shop for available times.

Thankyou
