Congratulations to Milly Stephenson who won gold and bronze at the Australian Schools' Athletics Championships held in Canberra last week. Milly won gold in the Under 14s 4x100m relay and bronze in the Under 14s 100m sprint. Milly also ran fifth in the 200m final. This is an outstanding achievement, well done Milly.

16/12 Year 12 BBQ

30/01/2017 Years 7 and
11 return

31/01/17 all other
years return

Congratulations to Rizina Yadav who participated in the My First Speech Competition, organised by the Parliament of Australia. Rizina was awarded first place in the competition. Rizina met the Prime Minister, the leader of the opposition and delivered her speech to parliament.

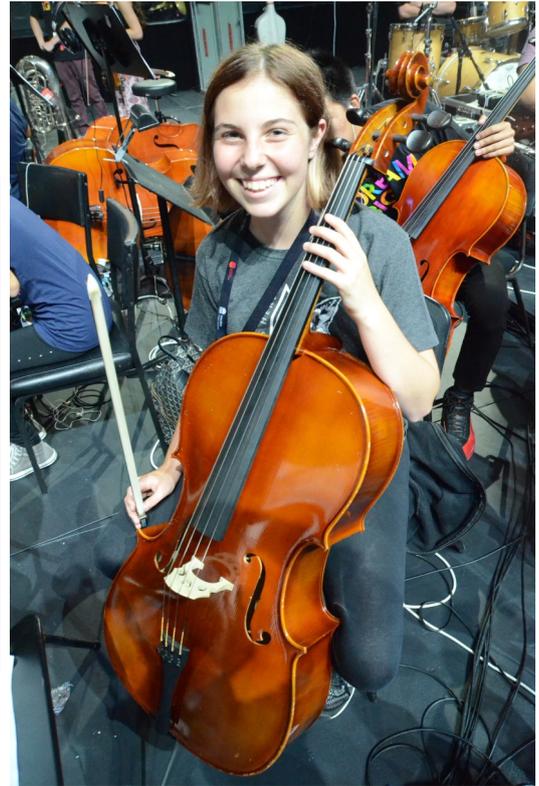

Congratulations to Angela Williams who received a NSW Blue for Netball at the NSWCHS Sporting Awards. Another outstanding achievement.

Congratulations to our Years 7 and 8 Debating team, George McNamara, Mackenzie Gilligan, Aleeyah Clifford, Evina Yadav and Ella Simons who won the state debating title in Sydney last week. The team was ably led by Mrs Leanne Corney throughout the competition.

Congratulations to Campbell Moore, Adrienne Hanslow and Isabel Formby who represented us at School Spectacular 2016. Campbell was one of twelve backing vocalists and was on stage all night, while Adrienne and Isabel were in the Spectacular orchestra.

As the 2016 school year draws to a close, I would like to take the opportunity, on behalf of the staff of Merewether High to thank everyone for a great year and wish our students and parents a safe holiday and a merry Christmas. Thank you for your continued support throughout the year.

To those families who leave us, thank you for the years of involvement and support, stay in touch and let us know of the continued successes of our students.

Hunter Secondary Schools' Sporting Blues Presentation – eleven of our students received awards this year at the Hunter Blues Awards. Nicholas Sonntag Swimming, Mitch Robinson and Matthew Humby Water Polo, Kaiya King Trampoline Sports, Angela Williams Netball, Tobias Atallah Rugby Union, Aidan Watling Australian Football, Milly Stephenson Athletics, Angel Barber Touch Football, Lachlan White Sailing and Davis Harara Rugby Union.

Years 7, 8 and 9 students have participated in Board Meetings and Year 9 Inquiry Based Learning Presentations where they have discussed the learning process and outcomes they have experienced while completing their studies. This process provides students practice in an interview process but the main purpose is to provide students with the opportunity to reflect on the way they learn, the areas that work well and the areas they need to develop. Thank you to the many parents who helped out with our Year 9 IBL presentations. The support was amazing.

All students commencing Year 10 in 2017 have completed the Board of Studies All My Own Work mandatory course. The program ensures students understand their responsibilities in relation to plagiarism before they commence their studies for the Preliminary Higher School Certificate Course.

Prefects' Investiture – our Captains and Prefects for 2017 were inducted into their roles on 18th November. The prefects and their parents joined Mrs Gilbertson, Mrs Southward, Mrs Harvey and I for lunch, to celebrate their induction. Subsequently, our School Captains and Prefects attended the annual leadership conference held in Sydney on the 25th November.

The conference was attended by 3000 students where future leaders have the opportunity to hear inspirational speakers from across Australia about their experiences in leadership. This was an opportunity for our leaders to reflect on their own leadership styles.

The end of year brings a significant change at Merewether High School. The support class which has been at the school for over twenty-nine years will move to Newcastle High School. The student body gave the class a well-deserved standing ovation as they left the school hall at our school assembly on the 24th November where each student was presented with a gift from the student body and Mrs Hughes and Mrs Onslow flowers.

Throughout next week we will take the time to celebrate the many successes of our students this year. Our celebrations culminate on Thursday 15th December with our Annual Presentation Day Assembly commencing at 10.30am. The P&C will provide morning tea after the assembly in the Learning Centre. Please come along and join us in celebrating the outstanding efforts of our students.

Year 12 BBQ – this will be held on Friday 16th December at 11.00am. All 2016 Year 12 students are invited to attend. Our Prefects and Captains 2017 will be providing the BBQ.

Congratulations to Adelaide Bragias' whose major art work on the HSC, White Australia, has been selected to be included in ARTEXPRESS 2017. The work will be displayed at The Armory, Sydney Olympic Park.

Congratulations to our under 15s Water Polo team, Mitch Robinson, Matt Humby, Joseph Lyons, Campbell Starrett, Whitaker Downey, Aiden Watling, Alex Hughes, Ben McPherson, Angus McBean, Oscar Power and Jarred Muller who took out the NSWCHS Under 15s State Championship for the second year in a row.

Congratulations to MaKenzi Harvey who has been named in the NSW under 13s Indoor Hockey team.

Congratulations to Thomas Whitehead whose Design and Technology major work has been selected for inclusion in the Shape exhibition and Brooke Farr who has been nominated for Encore as a result of her performances in the HSC music examinations.

Congratulations to Joshua Kershaw who received a NSW Volunteering award as a result of his work over the past four years with OzHarvest.

It has been an extraordinarily busy and rewarding month for the English department.

It is imperative that we first acknowledge the extraordinary efforts of our clever debating students. Firstly, our Year 10 Debating Team, after winning the *Premier's Debating Challenge* Regional Final, competed in the Years 9 and 10 State Final. This was the first time a Merewether High School Year 10 team had participated in a State Final. 384 teams from throughout NSW competed in this competition. Our Year 10 debaters were Rosanna Gately, Lucy Witherdin, Harry Su and Callum Donnelly. We are very proud of their amazing efforts. These students were supported by a contingent from Merewether High School who travelled up for the final, including the Year 8 Debating team (who were keen to grab some last minute tips for their own upcoming State Finals), and a group of their wonderfully supportive family members. This debate was also streamed live to all our debating students thanks to interactive classroom technology.

Our debating achievements don't stop there. Our Year 7 and 8 Team also won the Premier's Debating Challenge Regional Final and thus earned their spot in the Debating State Camp in Sydney to decide the final state winners. Of 644 teams that competed in this competition, only 10 teams from throughout NSW were invited to attend the camp. At this camp our students participated in a range of debates and debating workshops with some of NSW's leading debating coaches and adjudicators. They also competed in the State Final, **and after a series of rigorous debates, were eventually declared State Champions!!** Students who attended this camp were; George McNamara, Mackenzie Gilligan, Evina Yadav, Ella Simons and Aleeah Clifford. This is an extraordinary achievement; one of which the school and the Hunter/Central Coast Region can be justifiably proud.

These outstanding successes are testament to the hard work and high levels of motivation demonstrated by all the students and staff involved in our debating programs throughout 2016. Special thank you to Ms Burdekin, Ms Corney and Ms Davis who have spent considerable time in 2016 coaching and coordinating our 2016 debating squads.

Since the rigorous timetable of Semester 2 examinations, our junior students have been involved in a variety of educational and fun activities in the last few weeks. Most notably our Year 7 students have been introduced to the wonderful world of Romantic literature. This has involved, among other activities, embarking on a Wordsworth Walk to write a Nature poem and writing a series of journals adopting the character of Jane Eyre to understand what it was like living in the Victorian Era. These activities culminated in Ms Carmen designing a delightful exhibition of the Romantic Era in the front of the library, complete with old chairs and fashion items.

Congratulations to our HSC students on preparing and presenting their first assessment task for Advanced and Standard English – their Area of Study speeches. The markers were impressed by the level of preparation these students spent on ensuring their final product was of the highest quality. As Year 12 Curriculum Coordinator, I was impressed by their seamless adherence to our procedures. Our HSC students should use the five-week holiday to familiarise themselves with all of their set texts. Students in Advanced English should read *King Richard III* and *Brave New World* whilst students in Standard English should read *The Life and Crimes of Harry Lavender* and *A Man With Five Children*. In addition to this, students should visit the BOS website at http://www.boardofstudies.nsw.edu.au/hsc_exams/ to familiarise themselves with the style and structure of the HSC English Examinations, Marking Guidelines, Notes from the Marking Centre and other examination resources.

As this is the last bulletin for the year, the English Faculty would like to take this opportunity to wish you all a safe and happy holiday period. We look forward to seeing you all back in 2017.

Barbara Davis (Relieving HT English)

Social Science December Bulletin

2016 has been an incredibly busy year for the Social Science faculty but at the same time a very rewarding one. The faculty and its students have enjoyed many successes and learning experiences across a range of areas.

Since the Semester 2 Examinations our Year 7 Geography have been exploring the relationship between landforms and landscapes and considering the different perspectives on these concepts. The cultural tour I attended on Friday with local Awabakal people including David Newham highlighted some of these differences in relation to their stories about the formation of Sugarloaf Mountain and Nobby's Headland. However, it was evident that the similarities were far greater in terms of our shared sense of space, ties to the land and consequent belonging.

Recently our Year 8 Commerce students ran another successful Market day and Year 8 Geography students conscientiously delivered outstanding presentations on economic and cultural integration demonstrating that they had developed a deep understanding about the complexities and impacts of globalisation.

Year 9 Geography students have been actively engaged in exploring the challenges to human survival and food security and I have been impressed with student' ability to critically think about these challenges. These skills were clearly demonstrated in the high quality essays produced as part of their final assessment task.

All Year 10 students are actively engaged with their accelerated courses approaching their first HSC Assessment Task. Additionally Business Studies students will be traveling to Adamstown on Thursday to see the operation of a small business and speak to the owner of Slice about the challenges faced in this sector. This will be a fantastic opportunity for students to engage with the syllabus in a real context.

My second year as Head Teacher at Merewether High School has been rewarding. The many challenges of teaching, administration and curriculum development continue to provide rewards on many levels. The main focus of curriculum development in 2016 has been preparing for the delivery of the National Geography Curriculum through a differentiated curriculum designed for our gifted and talented students. We look forward to commencing these programs in 2017 for Year 7 and 9. I must say a big THANK YOU to the Social Science faculty for their support and efforts throughout 2016. The team consisting of Nicole Clark, Nathan Rice, Michelle Williams, Harry Kolatchew, Robert Berry and Rachael Tonks are dedicated to carrying out their professional duties and work tirelessly to meet the needs of each individual in their class.

The Social Science staff wish you a Merry Xmas and Happy New Year.

Mrs Burnett

Head Teacher Social Science

Accelerated Design and Technology student nominated for "Shape 2016"

Accelerated Design and Technology student - Thomas Whitehead - has been nominated for the "Shape 2016" exhibition. The exhibition features a selection of exemplary works from HSC Design and Technology, Industrial Technology and Textiles and Design students. It is held at the Powerhouse Museum from Feb 24th - May 7th 2017. Thomas designed a controlled rope descender for abailing. Congratulations on this achievement.

Vicki McCudden
Head Teacher TAS

Library

Merewether High School is always appreciative of the kind donations to the library of books and other resources given by students, parents and friends. Recently Julie Keating donated a copy of her new book "Merewether and The Junction : Nineteenth century industrial towns". This book is full of local history and is illustrated with photographs, drawings and newspaper accounts of the day, it is also available for \$25 at Merewether and Junction Village Newsagencies, and MacLeans Booksellers.

2016 NSW Premier's Reading Challenge

The Premier's Reading Challenge (PRC) aims to encourage a love of reading for enjoyment and enrichment in students, and enable them to experience quality literature. It is not a competition but a challenge to each student - to read, to read more and to read more widely. The Challenge involves over 300,000 students and more than 2100 government, non-government and home schools.

The NSW Premier's Reading Challenge encourages students to experience high quality, engaging fiction and non-fiction that enriches their lives. Participation in the challenge contributes to a student's self-esteem by encouraging students to set achievable goals, and allows for a connection between students, their families and the school.

Congratulations to the following MHS students who successfully completed the 2016 NSW Premier's Reading Challenge. A platinum certificate indicates a student who has successfully completed the PRC for the seventh time.

Fun and Fitness, Athletics is for EVERYONE regardless of your ability.

Adamstown New Lambton Athletics Club holds weekly Friday night twilight competition from 5:15pm at Alder Park, Bridges Road, New Lambton, from September through to March.

Girls and boys from 3 years of age, of any ability, are encouraged to register with us. Our emphasis for athletes is very much on personal improvement and participation, and for the parents – active involvement and encouragement.

Registration fees start from \$120, and will cover up to 21 nights of competition with us. If you are not sure about athletics or are new to the sport we can offer a FREE two week trial so why not come and give athletics a try. For more details and information, visit our website www.anlac.org.au

Family, Fun and Fitness

Adamstown New Lambton Athletics Club

Important Opal information from 1 August 2016

From 1 August, magnetic strip tickets (MSTs) will no longer be sold or accepted for travel within the Opal network. For easy access to public transport and lower fares, customers need to plan ahead and acquire the appropriate Opal card before 1 August 2016.

What other ticketing options will be available for customers from 1 August 2016?

Opal is the easiest and cheapest way to get around on public transport, but as a last resort, customers can buy an Adult or Child/Youth Opal single bus ticket on board bus services (excluding prepay services). These are single-use tickets only, valid for travel from the point of purchase.

Who is eligible to buy Child/Youth Opal Single Bus Ticket?

The eligibility criteria are the same as a Child/Youth Opal card:

- Children aged 4 – 15 years (inclusive)
- Full time NSW/ACT school students aged 16 years and older with a NSW Senior Secondary Student Concession card, issued by their school, as proof of entitlement.

NSW/ACT Senior Secondary Student Concession Card

School Student Photo ID's will no longer be accepted as from 1st August 2016.

Students 16 years and over must carry and show Senior Student Concession Card as shown.

See your School Administration for details.

Holders of this concession card are entitled to half-price fares and can apply for a Child/Youth Opal card.

Eligibility

You must be a school student aged 16 or over who is:

enrolled in a NSW or ACT secondary school or non-government secondary school, or registered with the Board of Studies as a full-time home-schooled or distance education (OTEN) secondary student.

International school students who meet the criteria also get the same entitlements.

What should I do if My School Opal Card is Lost or Stolen?

Report it [online](#) and order a replacement School Opal card and a fee may apply. By doing this, the old School Opal card will be cancelled and a new one will be mailed to the customer's preferred address within 5-7 days. While waiting for a replacement card, you should use a Child/Youth Opal card to travel if eligible.

Monday, 8 August 2016

Dear Principal,

RE: The use of Opal Cards on buses

I am writing to you as a school bus provider to and from your school with some concerns regarding the current use of Student Opal Cards.

One of the more significant changes created by the recent introduction of the Student Opal Card is the requirement for students to 'tap on' and 'tap off' when travelling to and from school on any school bus boarded in the course of their journey.

Opal data gathered by tap on and off is used to determine demand for bus services. If students don't tap on and off, lack of perceived patronage could lead to a review of the level of services provided to your school.

With this in mind, we seek your assistance in reminding your students that tapping on and off correctly is one of the conditions of using the Student Opal Card.

Some of possible methods of encouraging proper use of the Student Opal could include:

- Supervising teachers at boarding points could encourage students to have their Opal card ready prior to their bus arriving, eliminating delays in loading and allowing on time departure.
- Circulating relative information regarding the use of the Student Opal Card via School Newsletter may also highlight to parents, the importance of the proper use.
- A mention of this issue at School Assembly.

Any or all of the above will help provide a more efficient and streamlined service reflective of your school's needs.

Thank you in advance for your assistance and please contact us if you have any questions about any issues contained in this letter.

Regards,
Andrew Fogg

Regional Operations Manager

Hunter Valley Buses

Information for Students regarding School Travel

If provided with a School Opal card or school travel pass the student must comply with the [Student Codes of Conduct](#).

The School Opal card or school travel pass can only be used for approved travel on school days between the student's home and school or college between 6.30am and 7pm (6.30am and 9.30pm for TAFE students)

The Scheme does not cover travel to and from:

- before and after school care or child-minding premises
 - before and after school activities
 - school excursions
 - sports events
 - work experience
 - Vocational Education and Training (VET) at a location away from where the student is enrolled
- multi-campus high schools, weekend schools, pre-schools or mini-schools (except for full-time geographically isolated distance education students).

Red BUS SERVICES
Red BUS Coach Service

Attention School Students and Parents

As from Monday 21st November 2016

Some School Routes and Times will change

*****All School Bus Numbers will change to a unique number commencing with the letter "S" followed by 3 numbers**.***

AM – School Buses will be S700 – S799 or S900 – S999

PM – School Buses will be S600 – S699 or S800 – S899

It is advisable to check your New School Bus Numbers and Routes
from MONDAY 7th NOVEMBER 2016

www.redbus.com.au

Or

Red Bus Office 4332 8655

Important Information Regarding Opal Cards

1. For students entering year 11 at a New School

At the End of this year you will need to go online at www.transportnsw.info/school-students

And update your information to "New School". Print the 2 page document, sign and return to the Administration Office of your New School.

2. For students entering year 11 at a Current School

At the End of this year you will need to go online at www.transportnsw.info/school-students

And update your information to "Year 11". Print the 2 page document, sign and return to the Administration Office of your School.

3. For students entering year 7 at a New School

At the End of this year you will need to go online at www.transportnsw.info/school-students

And update your information to "New School". Print the 2 page document, sign and return to the Administration Office of your New School.

4. For students who have lost, Faulty or had their Opal Card Stolen

To replace Lost or Stolen Opal Cards go online at www.transportnsw.info/school-students

And apply for a replacement Opal Card.

NB: Students are required to pay a fare whilst waiting for delivery of new Opal Card.

5. For students not eligible for free school travel

Log online at www.transportnsw.info/school-students and purchase a School Term Bus Pass.

6. Student Travel Eligibility

To be eligible for subsidised travel under the SSTS, school students must be:

an infant student; i.e. attending Kindergarten, Year 1 or Year 2 classes, irrespective of the distance from home to school; or

a primary student (Year 3-6), and reside more than 1.6 kilometres (straight line distance) from the school attended, measured from the centre of the school site, or 2.3 kilometres or more by the most direct practicable walking route to the nearest point of physical entry to the school; or

a secondary student (Year 7-12), and reside more than 2.0 kilometres (straight line distance) from the school attended, measured from the centre of the school site, or 2.9 kilometres or more by the most direct practicable walking route to the nearest point of physical entry to the school;

Parents/guardians of students deemed ineligible by their school or local transport operator on straight line distance grounds may apply to TfNSW for a review of the determination on walking distance or pedestrian safety grounds.

Should TfNSW, after carrying out the review, not approve subsidised travel and the applicant(s) considers that there are special circumstances, such as pedestrian safety and/or hardship issues associated with their case; they may appeal the TfNSW decision.

Appeals are heard by an independent SSTS Appeals Panel which considers each case on its individual merits.

THE UNIFORM SHOP

New Uniforms for 2017

It is recommended that if you require new uniforms for 2017, that you come in for a Uniform Fitting before the end of Term 4.

We recommend this, so that the wait times over the January period are reduced, making the shopping experience more pleasant. We welcome lay-bys but you are able to take the uniforms after your fitting if you choose.

Please log onto our website or phone the shop for available times.

Thankyou

Uniform Shop
