### Preparing Your Child For the First Day Back in School

As schools begin to open to more children, parents and children may well be feeling anxious. Here's some ideas of how best to prepare.

#### Be Calm.

Your child will take their lead from you and be reassured if you are steady and matter of fact.

#### Be Curious.

These are strange times and their imagination may run away with them. Listen, and try not to dismiss or minimise their fears but validate how they are feeling - "It's completely fine to feel like that at the moment" or "I can really understand why you would feel like that"

**STUDENT WELLBEING**

### Welcome back! Face to face learning

We are excited to see all students return to school on Monday 25 October. This is what you need to know about our COVID-safe guidelines.

#### Healthy hygiene practice

- Bring your own mask
- You have to wear a mask on public transport and all indoor areas at school
- Remember personal hygiene: wash hands regularly, cough or sneeze into your elbow or tissues
- There is sanitiser available throughout the school

#### Buildings

- Construction work is happening at school. Please avoid it. Block during this work. Ask at the office for help if you have items in an LBlock locker.

#### Movement within buildings

- Please keep left in hallways and stairwells and be mindful of physical distancing.
